C. **Motion to approve the Minutes of March 19th, 2019 by Nicholas Rawcliffe Seconded by Harold Whittell**

D. TREASURER'S REPORT - We have received a grant of $1,000 from the TOL. We anticipate that the grant will increase next year. The Fort Langley Legacy Foundation will be sponsoring the 2019 Survey with a $1,500 contribution.

E. SOCIAL MEDIA REPORT - Malcolm Weatherston now has access to our website. The minutes will be posted and be interactive with the public.

F. BUSINESS ARISING FROM THE MINUTES:

1. Survey 2018 - Community Input Session - 5 councillors and approximately 75 people were in attendance. May not have had a packed hall, but over 500 viewed the online live-streaming on our FB page provided by All in One Productions. We received 10 input forms with feedback including comments regarding the tree protection bylaw and traffic.
2. Survey 2019 - Meeting at Andy's house in a couple weeks to formulate questions. Plan to have the survey out by the last week of May. We will rank the items of most importance on last year's survey to narrow down previous results to attainable goals. Email councillors to ask for feedback.
3. Truck Route - Currently a tech study is being done. Strategy to approach council, together with the BIA as a unified effort to get the truck route out of Fort Langley as soon as possible. Andy to send an email to Sharon - BIA Executive Director to reach out and begin to go to each other's meetings. Maybe a combined meeting with Fort Historic Society, BIA, FLCA, FL Legacy Foundation and the FLCIS would be a good idea - combining our efforts. An other suggestion for a combined effort is to get signs installed showing the public what parking is available in Fort Langley.

G. NEW BUSINESS: May Day is looking for volunteers. A Beer Fest is once again planned for May 28th at the Fort Langley Historic Site. We could possibly put some extra surveys at events that are happening in FL and also at the post office.

H. OPEN DISCUSSION:
Parking - How could we organize the area by the railway track (owned by CN) for parking? There is room for at least 50 cars. Approach a council member to help organize - set up a lease with the Federal government. Possibly the BIA would like to get involved in this as there is a possibility to generate revenue. Contact Lisa Smit - President BIA

H. MEETING ADJOURNED at 8:12 - Motion by Nicholas Rawcliffe, Seconded by Harold Whittell. All in Favour.
