2. Election for Township Councillor - October 25, 2025 from 8:00 am to 8:00 pm at 9 locations - poll information at tol.ca/elections.
3. Next scheduled meeting coincides with Remembrance Day as November 11th is second Tuesday; should change our meeting date; available space on November 18th so will change meeting for November to the 18th.
4. Meeting sign and sandwich board type holder - directors have approved getting a sandwich board to put out prior to the monthly meetings to make passers by aware of the meeting and hopefully improve attendance; have chosen cheaper metal frame; Duolynx doing printing for us.
5. McBride Development (Lombardy Park) meeting being considered as more of an all information meeting; FLCA has offered to host - likely in new year.
6. Question arose re: corner of 88th and Glover Road; this is to divert truck traffic from 88th to Rawlison and 232nd Street (some trucks cannot make turn). Some work to be done re: sidewalks on 88th.
    a. The township is responsible for three things that must happen for the truck route to change: 1) Light at Glover/Rawlison (complete), 2) Turn corrected at corner of 88th and Glover, and 3) Turn at 232nd where it heads down the hill.
7. Dredging: Notice of disposition from Kwantlen First Nations for movement of the silt, etc. on Crown land for Bedford Channel; LFCA to inquire as to what is happening with respect to activity and timeline.
8. Question arose re: progress of the move of the Museum to Salishan Centre. Sue has made contact with the folks at Salishan Centre and the Township. Apparently, the Museum has not moved as the humidity in the building is not consistent enough to support artifacts that are prone to damage due to humidity. There was a flooring issue that has been rectified but airflow has not.
