MINUTES FOR: Tuesday, June 14, 2022 - 7:30 pm *In-Person and via Zoom.*

DIRECTORS IN ATTENDANCE: Aaron Madaisky, Andy Schildhorn, Janine Twist, Alison Hewitt, Sue Mackenzie, Skylar Newton, and Lies Reimer;

REGRETS: Karen Zukas, Mike Barter and Michael Godwin.

GUESTS: *See sign-up sheet.*

This was the first meeting that we attempted the “hybrid” model of having people be able to ‘zoom’ in to the meeting, but also hosting an in-person meeting at the community hall. The connection appeared to be working great from the hall’s end and it seems like a workable solution going forward.

Approval of the agenda: Approved, no additions.

Treasurer's Report:

Bank Balance – As of June 9th, we have over \$7,000.00 in our bank account, of which we received \$4,500 from the township for the banner program and two donations from the movie industry towards the banner program (\$1,000 each).

Business Arising from the Minutes of last meeting:

All Candidates Meeting

Discussion regarding when and how we want to set up the all-candidates meeting for those running for township council. Karen Sukas will be working on putting the meetings together. Potential dates included September 28, September 29, and October 5. With so many candidates running, we considered putting the school board on another night / at another time. More information on this to be posted on the relevant sites.

Membership push –

There was a relatively large attendance of guests for this meeting, so potentially if we are able to hold the meetings in-person and perhaps put a sandwich board on the days of the meetings, we may be able to get more involvement from the community.

Committee Report

Banners

There was discussion on the banners and what we can do to get some new banners. Discussions included potentially running a contest to get the community involvement in designing a new banner.

Fort Langley Community Events Association

Round-table that meets once a month and people can talk about and coordinate events that are going on in the village. The Township has moved its Canada Day events to Aldergrove due to the Museum is under construction

Fort Langley Water

The FLCA will be putting together a “Google Form” so that we can start collecting more personal stories about how the water is impacting individuals in Fort Langley.

New Business / Discussion

Waterfront/Riverfront Project [Proposal and Comments].

The general consensus of the comments on the proposal was negative. The people did not like the idea that was put together. Working with the Fort Langley Legacy Foundation it was decided to explore with the help of an architect or a community consultant the idea of community workshops to generate public engagement in creating a unified vision for the waterfront.

FLCA Plans for summer 2022 (also discuss schedule and plans for meetings)

July 12th → we will have the meeting. IN PERSON and on zoom. Chaired by J. Twist.
AUGUST 9th → TBD

Next Meeting: July 12th, 2022
