

*Hello,*

*My name is Jason Hineman. I have applied to the Township of Langley for a Cannabis Retail Store to be located at 9103 Glover rd.*

*I recently received a letter from the Township stating that the requirement for Public Information Meetings has been waived for the remainder of 2020 due to COVID-19. Personally, I think this is the right decision, and I commend council for making this difficult decision. Nevertheless, I feel that our neighbors and the residents deserve to know what is happening in their respective communities, therefore our team is hosting an Open House at our proposed location this Saturday, July 18th from 11:30 am to 1:30 pm- so that members of the community can meet with us, and we can provide further information and answer any questions that they may have.*

*We are working with health professionals to ensure that we have an adequate plan in place to ensure social distancing, health and safety protocols are adhered to. Furthermore, we understand that some members of the community may not feel comfortable attending public engagements, or simply are unable to attend, therefore we will also be hosting a virtual information session on the evening of July 29th, 2020.*

*As the go-to resource for the community of Fort Langley, I would like to post information to your website regarding the time and place of our Open House? We have created a simple invitation card - it would be very much appreciated if your team is able to post the invitation to your website.*

*I look forward to hearing from you, thank you for your time.*

*Regards,*

*Jason Hineman*
