Welcome

Heat & Herb is a local provincially licensed retail cannabis company that has secured a total of three locations in British Columbia. Heat & Herb is comprised of a strong team of professionals with many years of industry experience.

We take pride in the communities that we serve and strive to become active community members. In addition to providing exceptionally high quality cannabis and customer service, we are committed to engaging with the community through our free therapeutic programs and generous donations to non-profit organizations that help to support families and children. Having spent a portion of our childhood here, the Heat & Herb team has personal ties to the community of Fort Langley, and we have seen it flourish over the decades. We are very excited to be returning to this neighbourhood that meant so much to us in our youth.

We would like to extend an invitation to our open house at 9103 Glover Road, Fort Langley on July 18th from 11:30am to 1:30pm. Please join us for some refreshments and snacks.

Heat & Herbs' team is excited to meet you and take any questions you may have!

Sincerely,

heat + herb
